CliftonStrengths (often called " StrengthsFinder ") is an online assessment that helps you discover what you naturally do best, where you have the most potential, and what makes you exceptional. You can use the customized results of this assessment to make meaningful choices, address challenges, and enhance your quality of life.

Helps aspiring college students discover where their strengths truly lie and how to develop them to reach their full potential at school and later in the real world.

Outlines a program developed by Gallup experts and based on a study of more than two million people to help readers discover their distinct talents and strengths and how they can be translated into personal and career successes. 100,000 first printing.

Students who use their natural talents achieve the most -- but they need to know what those talents are. StrengthsQuest includes the Clifton StrengthsFinder, an online assessment that reveals students ' top five themes of talent. And StrengthsQuest also helps students make the most of those talents. Students and learners of all ages continually face the challenges of gaining direction, making decisions, and building self-confidence. Fortunately, the keys to successfully meeting these challenges -- your own natural talents -- already exist within you. Through these talents, you will produce your greatest achievements. Over the course of 30 years, Gallup conducted millions of psychological interviews and identified 34 themes of talent that are indicative of success. In the StrengthsQuest program, Gallup offers you the opportunity to discover talents from your top five themes and build on them to achieve academic, career, and personal excellence. More than 100,000 students have benefited from the program. Your quest starts with the Clifton StrengthsFinder, a 30-minute assessment that reveals your top five themes of talent. This online assessment is your entryway to a variety of experiences that will help you discover your greatest talents and develop strengths. You ' ll gain access to action items specific to your top themes, covering general academic life, study habits, relationships, and career. You ' ll also be challenged to think about applying your talents for success in other settings, such as on projects and teams and in leadership. StrengthsQuest was written by the late Donald O. Clifton, who was the former chairman of Gallup, coauthor of the bestseller Now, Discover Your Strengths, and recognized as the Father of Strengths-Based Psychology and the late Edward " Chip " Anderson, who taught education, psychology, and leadership at UCLA and Azusa Pacific University. Revised portions of the text were written by Laurie A. Schreiner, who has taught psychology and higher education at Azusa Pacific University and Eastern University. How can you discover your children's unique talents? And how can you use your own talents and strengths to be the most effective and supportive parent possible? Strengths Based Parenting addresses these and other questions on parents' minds. But unlike many parenting books, Strengths Based Parenting focuses on identifying and understanding what your children are naturally good at and where they thrive -- not on their weaknesses. The book also helps you uncover your own innate talents and effectively apply them to your individual parenting style. You'll find stories, examples and practical advice as well as a strengths assessment access code for parents and one for kids, so you can take the first step to discovering your innate talents and those of your children. Grounded in decades of Gallup research on strengths psychology -- as highlighted in Gallup's StrengthsFinder 2.0, which has sold nearly 5 million copies to date -- Strengths Based Parenting shows you how to uncover your kids' top talents and your own.

This volume examines what positive psychology offers to our understanding of key issues in working life today. The chapters focus on such topics as strengths, leadership, human resource management, employee engagement, communications, well-being, and work-life balances.

Shows teachers how to avoid the pitfalls that lead to mediocrity and includes real-life examples of how great teachers use their strengths to solve problems, battle bureaucracy, and reach all of their students.

Two leadership consultants identify three keys to being a more effective leader: knowing your strengths and investing in others' strengths, getting people with the right strengths on your team, and understanding and meeting the four basic needs of those who look to you for leadership.
