In the countryside of England, the Duc de Richleau a.k.a Nicholas welcomes his old friend Rex Van Ryn that has flown to meet him and Simon Aron, who is the son of an old friend of them that had passed away but charged them the task of watching the youngster. Nicholas and Rex unexpectedly visit Simon that is receiving twelve mysterious friends.

*The Devil Rides Out (1968) - IMDb*

The Devil Rides Out, known as The Devil's Bride in the United States, is a 1968 British horror film, based on the 1934 novel of the same name by Dennis Wheatley. It was written by Richard Matheson and directed by Terence Fisher. The film stars Christopher Lee, Charles Gray, Niké Arrighi and Leon Greene.. It is considered one of Terence Fisher's best films.

*The Devil Rides Out (film) - Wikipedia*

The Devil Rides Out is a 1934 novel by Dennis Wheatley telling a disturbing story of black magic and the occult. The four main characters, the Duke de Richleau, Rex van Ryn, Simon Aaron and Richard Eaton, appear in a series of novels by Wheatley. The book was made into a film by Hammer Film Productions in 1968.

*The Devil Rides Out - Wikipedia*

Though I enjoyed reading The Devil Rides Out again (having meantime seen the film twice), some of the magic was lost. The characters are not as convincing as they were then and the plot seems to have lost some of its energy. I suppose my tastes have changed in forty years.

The Devil Rides Out is one of the best movies to come from the Hammer House of Horrors. It was not an enormous success on its first release, either in Great Britain or the US, where 20th Century Fox retitled it The Devil's Bride out of concern that the original sounded like a Western.

The power of darkness is more than just a superstition, it is a living force, which can be tapped at any given moment of the night. The adaptation of the Dennis Wheatley classic, starring Christopher Lee. This time he's Playing Against Type as a hero: namely, the Duke of Richleau (or "Duc le Richleau" as the movie calls him).

Released theatrically by Twentieth Century Fox as THE DEVIL'S BRIDE, THE DEVIL RIDES OUT was like the other Hammer/Seven Arts films of the sixties long unavailable on home video until the rights reverted to Hammer and Anchor Bay struck a deal in 1998 and put out a special edition laserdisc featuring - like their laserdisc of QUATERMASS AND THE PIT - a Dolby Surround remix of the mono track while their subsequent DVD featured a 5.1 track as well.

The aristocratic Duke de Richleau faces new, sinister challenges in this macabre tale of the dark arts. When his good friend Simon Aron's naïve curiosity is tested, the Duke, along with his ever-patient friends Rex Van Ryn, and Richard Eaton, must intricately plot a means of both physical and spiritual rescue. But with Van Ryn's affections for a beautiful woman caught in the web of Satanists, and Eaton's ongoing scepticism, they all risk being brought to the verge of madness through dabbling with the powers of evil. From London to the West Country, the slums of Paris to a Christian monastery, the action of this powerful occult thriller moves with fantastic, compelling force.

THE SUNDAY TIMES NUMBER ONE BESTSELLER 'Far and away the best writer of the lot . . . his turn of phrase is a joy.' The Sunday Times Birkenhead, 1973. The eighteen-year-old Paul O'Grady gets ready for a big Saturday night out on the town. New white T-shirt, freshly ironed jeans, looking good. As he bids farewell to his mum, who's on the phone to his auntie, and wanders off down the street in a cloud of aftershave, he hears her familiar cry: 'Oh, the devil rides out tonight, Annie. The devil rides out!' The further adventures of Paul O'Grady - following on from the million-copy-selling *At My Mother's Knee* - are, if anything, even more hilarious and outrageous than what has come before. To say that *The Devil Rides Out* is action-packed is an understatement. Its extraordinary cast of characters includes lords and ladies, the legendary Vera, a serial killer, more prostitutes than you can shake a stick at and drag queens of every shape and size. Wickedly funny, often moving, and searingly honest, Paul's tales of the unexpected will make your jaw drop and your hair stand on end. And you'll laugh like a drain. *The Devil Rides Out* is one hell of a read! Readers love *The Devil Rides Out*: 'At times heart-breaking but . . . incredibly funny.' \*\*\*\*\* 'A powerful story of the man behind the persona . . . the most fabulous and modest tart with a heart of gold.' \*\*\*\*\* 'Very down to earth, heart-breaking at times but Paul always comes back making you laugh.' \*\*\*\*\*

*The devil rides out*, original copyright date: 1934; *To the devil a daughter*, original copyright date: 1953; *Gateway to hell*, original copyright date: 1970.

No less a critic than Clifton Fadiman called *The Devil Rides Outside* a "staggering novel." The first novel of John H. Griffin, it written during the author's decade of blindness following an injury suffered during the closing days of World War II. As *Time Magazine* described it, *The Devil Rides Outside* "has some things relatively rare in U.S. letters: energy, earnestness and unashamed religious fervor." Written as a diary, the novel relates the intellectual and spiritual battles of a young American musicologist who is studying Gregorian chant in a French Benedictine monastery. Even though he is not Catholic, he must live like the monks, sleeping in a cold stone cell, eating poor food, sharing latrine duties. His dreams rage with memories of his Paris mistress; his days are spent being encouraged by the monks to seek God. He takes up residence outside the monastery after an illness, but he finds the village a slough of greed and pettiness and temptation. Indeed, as the French proverb says, "the devil rides outside the monastery walls."

In the face of an Atlantic hurricane, a boatload of mis-matched crew and passengers find themselves aboard a life-boat and must pit their strength against the rigours of the open sea. Tension mounts both inside and outside the rescue vessel - the desirable Synolda is forced into the arms of a man who knows her past and uses that knowledge. A man with hatred in his eyes - a hatred that can only be satisfied with blood. There is mutiny and murder before the unrelenting Sargasso weed entombs them all. But suddenly land is sighted - land unmarked on the chart, concealing further, unimaginable horrors.

One of the giants of popular fiction, with total sales of around fifty million books, Dennis Wheatley held twentieth-century Britain spellbound. His Black Magic novels like *The Devil Rides Out* created an oddly seductive and luxurious vision of Satanism, but in reality he was as interested in politics as occultism. Wheatley was closely involved with the secret intelligence community, and this powerfully researched study shows just how directly this drove his work, from his unlikely warnings about the menace of Satanic Trade Unionism to his role in a British scheme to engineer a revival of Islam. Drawing on a wealth of unpublished material, Phil Baker examines Wheatley's key friendship with a fraudster named Eric Gordon Tombe, and uncovers the full story of his sensational 1922 murder. Baker also explores Wheatley's relationship with occult figures such as Rollo Ahmed, Aleister Crowley, and the Reverend Montague Summers, the shady priest and demonologist who inspired the memorable evil character of Canon Copely-Syle in *To The Devil - A Daughter*.

Beneath the azure sky of the French Riviera, Christina Mordant looks and behaves like any other attractive girl. But each night as darkness falls, the demon within her betrays its presence. A thousand miles away, deep in the Essex marshes, a priest of Satan is about to achieve his life's ambition: Canon Copely-Syle of Bentford Priory prepares for the virgin sacrifice which will give breath to the foul abomination he has created...
