The Dharma Bums Jack Kerouac

The Dharma Bums is a 1958 novel by Beat Generation author Jack Kerouac. The basis for the novel's semi-fictional accounts are events occurring years after the events of On the Road. The main characters are the narrator Ray Smith, based on Kerouac, and Japhy Ryder, based on the poet and essayist Gary Snyder, who was instrumental in Kerouac's introduction to Buddhism in the mid-1950s. The book concerns duality in Kerouac's life and ideals, examining the relationship of the outdoors, mountaineering

The Dharma Bums - Wikipedia

Following the explosive energy of On the Road, the book that put the Beat Genration on the literary map - and Jack Kerouac on the bestseller list - comes The Dharma Bums, in which Kerouac charts the spiritual quest of a group of friends in search of Dharma, or Truth. Ray Smith and his friend Japhy, along with Morley the yodeller, head off into the high Sierras to seek the lesson of solitude and experience the Zen way of life.

During the 1950s the search for Buddhist truths takes two young Bohemians through a series of bizarre experiences in California

Jack Kerouac ' s classic novel about friendship, the search for meaning, and the allure of nature First published in 1958, a year after On the Road put the Beat Generation on the map, The Dharma Bums stands as one of Jack Kerouac's most powerful and influential novels. The story focuses on two ebullient young Americans—mountaineer, poet, and Zen Buddhist Japhy Ryder, and Ray Smith, a zealous, innocent writer—whose quest for Truth leads them on a heroic odyssey, from marathon parties and poetry jam sessions in San Francisco's Bohemia to solitude and mountain climbing in the High Sierras.

THE DHARMA BUMS appeared just one year after the author's explosive ON THE ROAD had put the Beat Generation on the literary map and Kerouac on the best-seller list. The same expansiveness, humour and contagious zest for life that sparked the earlier novels sparks this one too, but through a more cohesive story. The books follow two young men engaged in a passionate search for dharma or truth. Their major adventure is the pursuit of the Zen way, which takes them climbing into the high sierras to seek the lesson of solitude. With an Introduction by Kerouac expert, Ann Douglas.

Inspired by and responding to Jack Kerouac ' s Dharma Bums, this memoir details the psychological and spiritual triumph over severe psychological difficulties caused by a series of traumas endured in the Peace Corps in West Africa in 1978. Surveying the spiritual landscape of America through the seventies to the present in Zen, Tibetan Buddhist, New Age and Christian movements, this memoir describes the journey of author Philip A. Bralich ' s life, beginning as a twenty-something, leftist, married, seventies idealist in the Peace Corps in West Africa, through an accident in the bush that cost his wife her life and himself much of the use of he left leg, and through the growing and debilitating psychological difficulties that were finally resolved through wide reading and personal experience of many of the spiritual and psychological movements of those four decades. The book commences in West Africa in 1978 but also goes back to as early as 1973, just four years after Jack Kerouac died.

Offers a collage of poems, haiku, journal entries, letters, meditations, ideas on writing, notes on Buddhism, prayers, blues, and sketches

A collector's edition of five works by the late Beat Generation classic writer combines the eminent "On the Road" with the novels, "The Dharma Bums," "The Subterraneans," "Tristessa," and "Lonesome Traveler."

The Dharma Bums is a 1958 novel by Beat Generation author Jack Kerouac. The basis for the novel's semi-fictional accounts are events occurring years after the events of On the Road. The main characters are the narrator Ray Smith, based on Kerouac, and Japhy Ryder, based on the poet and essayist Gary Snyder, who was instrumental in Kerouac's introduction to Buddhism in the mid-1950s. The book concerns duality in Kerouac's life and ideals, examining the relationship of the outdoors, mountaineering, hiking, and hitchhiking through the West with his "city life" of jazz clubs, poetry readings, and drunken parties. The protagonist's search for a "Buddhist" context to his experiences (and those of others he encounters) recurs throughout the story. The book had a significant influence on the Hippie counterculture of the 1960s.

"When someone asks 'Where does [Kerouac] get that stuff?' say: 'From you!' He lay awake all night listening with eyes and ears. A night of a thousand years. Heard it in the womb, heard it in the cradle, heard it in school , heard it on the floor of life's stock exchange where dreams are traded for gold.' —Henry Miller One of the dozen books written by Jack Kerouac in the early and mid-1950s, Maggie Cassidy was not published until 1959, after the appearance of On the Road had made its author famous overnight. Long out of print, this touching novel of adolescent love in a New England mill town, with its straight-forward narrative structure, is one of Kerouac's most accessible works. It is a remarkable , bittersweet evocation of the awkwardness and the joy of growing up in America.

Originally subtitled "An Adventurous Education, 1935-1946," Vanity of Duluoç is a key volume in Jack Kerouac's lifework, the series of autobiographical novels he referred to as The Legend of Duluoç. With the same tender humor and intoxicating wordplay he brought to his masterpieces On the Road and The Dharma Bums, Kerouac takes his alter ego from the football fields of small-town New England to the playing fields and classrooms of Horace Mann and Columbia, out to sea on a merchant freighter plying the sub-infested waters of the North Atlantic during World War II, and back to New York, where his friends are the writers who would one day become known as the Beat generation and where he published his first novel. Written in 1967 from the vantage point of the psychedelic sixties, Vanity of Duluoç gives a fascinating portrait of the young Kerouac, dedicated and disciplined in his determination from an early age to be an important American writer.
