Get selected as a parliamentary candidate for your chosen political party Fight a General Election and win the most votes, becoming a Member of Parliament for a constituency (area) of voters.

Not sure why everyone keeps talking about the weather? Can't tell your Earl Grey from your English breakfast? Feeling a wobble in your stiff upper lip? It sounds like you need a crash course in How to be British. This handy pocket guide brings together 130 classic cartoons covering all the crucial elements of life on our sceptred isle: from queuing under absolutely any circumstances, to avoiding eye contact on the bus, to tutting and saying 'Honestly' when it starts raining. Whether you're a born-and-bred Brit or the most transient of tourists, How to be British is your one-stop remedy to Brexit blues. At least it's better than chatting about the weather again.

The history of the book from 1400 to 1557: the transition from manuscripts to printed books.

The quintessential A to Z guide to British English—perfect for every egghead and bluestocking looking to conquer the language barrier Oscar Wilde once said the Brits have "everything in common with America nowadays except, of course, language." Any visitor to Old Blighty can sympathize with Mr. Wilde. After all, even fluent English speakers can be at sixes and sevens when told to pick up the "dog and bone" or "head to the loo," so they can "spend a penny." Wherever did these peculiar expressions come from? British author Christopher J. Moore made a name for himself on this side of the pond with the sleeper success of his previous book, In Other Words. Now, Moore draws on history, literature, pop culture, and his own heritage to explore the phrases that most embody the British character. He traces the linguistic influence of writers from Chaucer to Shakespeare and Dickens to Wodehouse, and unravels the complexity Brits manage to imbue in seemingly innocuous phrases like "All right." Along the way, Moore reveals the uniquely British origins of some of the English language's more curious sayings. For example: Who is Bob and how did he become your uncle? Why do we refer to powerless politicians as "lame ducks"? How did "posh" become such a stylish word? Part language guide, part cultural study, How to Speak Brit is the perfect addition to every Anglophile's library and an entertaining primer that will charm the linguistic-minded legions.

On the bus, at the hotel, by the seaside, under the weather...wherever you are, you'll need the right words to express yourself. No worries With Get Around in English you'll know what to say to anyone, anywhere, at any time (well, more or less). The book is packed with modelconversations, cultural clues, vital vocabulary, and comic illustrations in every unit to help you brush up your language and laugh along the way.

Will you be flummoxed by this Great British distraction? Do you know queuing etiquette? Twenty-one different ways to describe rain? Then this quiz book might be just your cup of tea. Politely challenge yourself, your family and your friends with questions on British culture, language, etiquette, of course, the weather, as well as lots of other essential, quintessential British subjects. Each quiz comprises 21 questions and answers are based on the real results from national surveys and polls. Hours of brain-bamboozling fun for all the family!

Over forty years ago, Joan Bodger, her husband, and two children went to Britain on a very special family quest. They were seeking the world that they knew and loved through children's books. In Winnie-the-Pooh Country, Mrs. Milne showed them the way to "that enchanted place on the top of the Forest [where] a little boy and his Bear will always be playing." In Edinburgh they stood outside Robert Louis Stevenson's childhood home, tilting their heads to talk to a lamplighter who was doing his job. In the Lake District they visited Jemima Puddle-Duck's farm, and Joan sought out crusty Arthur Ransome to talk to him about Swallows and Amazons. They spent several days "messing about in boats" on the River Thames, looking for Toad Hall and other places described by Kenneth Grahame in The Wind in the Willows. Mud and flood kept them from attaining the slopes of Pook's Hill (on Rudyard Kipling's farm), but they scaled the heights of Tintagel. As in all good fairy tales, there were unanswered questions. Did they really find Camelot? Robin Hood, as always, remains elusive. One thing is certain. Joan Bodger brings alive again the magic of the stories we love to remember. She persuades us that, like Emily Dickinson, even if we "have never seen a moor," we can imagine "how the heather looks." First published in 1965 by Viking in New York, How the Heather Looks has become a prized favorite among knowledgeable lovers of children's literature. Precious, well-thumbed copies have been lent out with caution and reluctance, while new admirers have gone searching in vain for copies to buy second-hand. This handsome reprint, with a new Afterword by Joan Bodger, makes a unique and delightful classic available once more.

FOREWORD by David Cameron Fleeing Idi Amin's regime, seventeen year-old Ugandan Indian immigrant Dolar Popat landed at Heathrow in 1971 with just £10 and a cardboard suitcase to his name but with everything to prove. Fuelled by a tenacious entrepreneurial spirit, a sharp talent for finance and an unparalleled drive for success, Popat worked relentlessly to pay his gratitude to the country that offered him a fresh start: Great Britain. With this same passion, he tells the incredible story of his journey from Wimpy Bar waiter to business magnate to member of the House of Lords. Despite battling prejudice, he found allies in the Conservative Party and, with guidance from David Cameron and his spiritual leader, Morari Bapu, has become one of the most influential people in commerce and politics today. Full of life lessons and business wisdom, A British Subject is a timely testament to the importance of integration in Britain. A love letter to his adopted country, this is the inspirational tale of how the barefoot boy from the streets of Tororo now treads the corridors of Parliament.
