Phanes (fa-nays) means "manifestor" or "revealer", and is related to the Greek words "light" and "to shine forth". Phanes Press was founded in 1985 to publish quality books on the spiritual, philosophical, and cosmological traditions of the Western world. Since that time, we have published 45 books, including five volumes of Alexandria, a book-length journal of cosmology, philosophy, myth, and culture. The year 2000 marks our fifteen-year anniversary, and we are working to bring out more interdisciplinary works, including books on creativity, psychology, literature, and the intersections between science, spirituality, and culture. How the stages of the alchemical process relate to psychological and spiritual growth.

A modern-day alchemist reveals the secrets of alchemical transmutation, explaining how an alchemist can exert influence over people and events to transform the harmful into the helpful and the useless into the valuable.

Many regard alchemy as a metaphor for inner transformation. But this is only half the story. According to Catherine MacCoun, alchemy is no mere metaphor. It ' s real magic. Transforming the inner world is, for the alchemist, a way to transform the outer world. Through studying the principles of alchemy, we can achieve extraordinary effects from ordinary actions by understanding how the world really works. We can perceive the hidden connections between the spiritual and the material worlds. Knowledge of these connections enables us to influence external phenomena through the powers of heart and mind alone. Yet alchemy is

not, like some forms of magic, the exercise of mind over matter. It is the art of taking what already exists—whatever presents itself—and transmuting the harmful into the helpful, the useless into the valuable. On Becoming an Alchemist initiates us into these secrets, showing us how to think, perceive, and operate as an alchemist. It offers practical advice and exercises that will help the modern magician to:

- Understand and apply basic principles of alchemy
- Transmute setbacks, failures, and losses into sources of magical power
- Navigate one's inner world with poise, confidence, and common sense
- Intuitively show up in the right place at the right time to benefit from magical coincidences
- Discover the potentials latent in any situation by awakening subtle perception

A special 25th anniversary edition of the extraordinary international bestseller, including a new Foreword by Paulo Coelho. Combining magic, mysticism, wisdom and wonder into an inspiring tale of self-discovery, *The Alchemist* has become a modern classic, selling millions of copies around the world and transforming the lives of countless readers across generations. Paulo Coelho's masterpiece tells the mystical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure. His quest will lead him to riches far different—and far more satisfying—than he ever imagined. Santiago's journey teaches us about the essential wisdom of listening to our hearts, of recognizing opportunity and learning to read the omens strewn along life's path, and, most importantly, to follow our dreams.

A ground-breaking modern manual on an ancient art, *Real Alchemy* draws on both modern scientific technology and ancient methods. A laboratory scientist and chemist, Robert Allen Bartlett provides an overview of the history of alchemy, as well as an exploration of the theories behind the practice. Clean, clear, simple, and easy to read, *Real Alchemy* provides excellent directions regarding the production of plant products and transitions the reader-student into the basics of mineral work—what some consider the true domain of alchemy. New students to practical laboratory alchemy will enjoy reading *Real Alchemy* and hopefully find the encouragement needed to undertake their own alchemical journey. Bartlett also explains what the ancients really meant when they used the term “Philosopher's Stone” and describes several very real and practical methods for its achievement. Is the fabled Philosopher's Stone an elixir of long life or is it a method of transforming lead into gold? Judge for yourself.

For teachers We know that the Common Core State Standards are encouraging you to reevaluate the books that you assign to your students. To help you decide which books are right for your classroom, each free ebook in this series contains a Common Core – aligned teaching guide and a sample chapter. This free teaching guide for *The Alchemist* by Paulo Coelho is designed to help you put the new Common Core State Standards into practice. Every few decades a book is published that changes the lives of its readers forever. *The Alchemist* is such a book. With over a million and a half copies sold around the world, *The Alchemist* has already established itself as a modern classic, universally admired. Paulo Coelho's charming fable will enchant and inspire students for generations to come. *The Alchemist* is the magical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure as extravagant as any ever found. From his home in Spain he journeys to the markets of Tangiers and across the Egyptian desert to a fateful encounter with *The Alchemist*. The story of the treasures Santiago finds along the way teaches us, as only a few stories have done, about the essential wisdom of listening to our hearts, learning to read the omens strewn along life's path, and, above all, following our dreams.

Initiates the reader into some of the key concepts and practices of this extraordinary field of study.

Striving for personal happiness, however one defines it, is a goal that many people have in common, and this book teaches readers how to find that joy using modern and spiritual means. Happiness seekers will learn how karma blocks personal happiness and how to dissolve it on a moment-by-moment basis, learn how to activate their personal GPS system to guide them out of negative reactions and old patterns, and learn simple techniques to transform everyday, stressful situations into positive energy and self-awareness. Written for those beginning their spiritual journey of self-discovery, lighthearted dialogue and hands-on exercises give readers an accessible way to vanquish potential roadblocks to happiness.

You will learn that the whole purpose of the alchemical process is to change your thinking and feeling, and move up to a higher frequency in consciousness. You'll learn to see what you want in life, clearing the channels for Spirit and getting back into the natural order of the universe, where we see infinite possibilities of life.

An herbal magick grimoire of philtres, elixirs, essential oils, incense, and formulas with dozens of recipes from a trusted author. Herbs have been used for medicine, magic, and ritual for centuries. The ancient arts of herbal alchemy and herbal magick combine the healing and energizing effects of herbs (roots, leaves, flowers, resins, and essential oils) with the cycles of the natural world - the astrological movement of the stars and planets, and the cycles of the earth's seasons. In this easy-to-use compendium of herbs and their energy associations, master herbalist and magick practitioner Karen Harrison offers formulas anyone can use to obtain courage, creativity, lasting health, prosperity, and enhanced psychic and spiritual powers. Harrison shows how to select herbs based on their astrological associations as well as their medicinal properties. With a materia magica of more than 150 herbs and a multitude of recipes, readers will learn how to blend incense, ceremonial oils, bath salts, herbal amulets, fluid condensers, and herbal philtres and how to use them in meditation, ritual, or energy work.
