Sentenced to 20 years in jail by the Nuremberg Medical Trial. Karl Hermann Frank (24 January 1898 – 22 May 1946) was a prominent Sudeten German Nazi official in Czechoslovakia prior to and during World War II and an SS-Obergruppenführer.

'Roland's compelling account is highly readable.' Nicholas Goodrick-Clarke, Professor of History, University of Exeter Anyone wishing to understand the nature of evil can do no better than look within the pages of this book. When Hitler's 'thousand-year Reich' collapsed after twelve years of increasing repression, how were those responsible to be punished? Hitler, Himmler and Goebbels took their own lives to evade justice, but that still left Hermann Goering, Albert Speer, Hitler's one-time Deputy Führer Rudolf Hess and many other prominent Nazis to be brought before the Allied courts. This is the story of the Nuremberg Trials - the most important

criminal hearings ever held, which established the principle that individuals will always be held responsible for their actions under international law, and which brought closure to World War II, allowing the reconstruction of Europe to begin.

At 10.00 am on 20 November 1945, Sir Geoffrey Lawrence, the presiding judge at the first of the Nuremberg Trials, opened proceedings at what he described as a trial that was 'unique in the history of jurisprudence'. What followed were 11 days of accusations and rebuttals that would determine the fate of 21 Nazi leaders and see the indictment of three others in their absence. The charges against them included war crimes, crimes against humanity, crimes against peace and the conspiracy to commit those crimes. Judges, administrators and onlookers alike had to steel themselves as they listened to a catalogue of barbaric and sickening acts.

Compellingly, *The Nuremberg Trials* recalls the events of that first trial, the people involved - both accusers and accused - and explores the impact and consequences that it would have on subsequent trials at Nuremberg and in Tokyo (where Japanese leaders were also tried) and on the future of international law and tribunals.

This book offers a radically new and definitive reappraisal of Allied responses to Nazi human experiments and the origins of informed consent. It places the victims and Allied Medical Intelligence officers at centre stage, while providing a full reconstruction of policies on war crimes and trials related to Nazi medical atrocities and genocide.

“ Fascinating. . . . The Tusas' book is one of the best accounts I have read. ” --The New York Times

Examines how the Allies came to terms with how a 'civilised' nation like Germany could perpetrate the crimes of WWII and sought to bring them back to the Western fold. Priemel shows that while many German institutions, which were ostensibly similar to their Allied counterparts, had been corrupted even before Hitler's rise to power.

Organized in the immediate aftermath of World War II to try the former Nazi leaders for war crimes, the Nuremberg trials, known as the International Military Tribunal (IMT), paved the way for global conversations about genocide, justice, and human rights that continue to this day. As Francine Hirsch reveals in this immersive new history of the trials, a central piece of the story has been routinely omitted from standard accounts: the critical role that the Soviet Union played in making Nuremberg happen in the first place. Hirsch's book reveals how the Soviets shaped the trials--only to be written out of their story as Western allies became bitter Cold War rivals. *Soviet Judgment at Nuremberg* offers the first full picture of the war trials, illuminating the many ironies brought to bear as the Soviets did their part to bring the Nazis to justice. Everyone knew that Stalin had originally allied with Hitler before the Nazi invasion of the Soviet Union. The Molotov-Ribbentrop Pact of 1939 hung heavy

over the courtroom, as did the suspicion among the Western prosecutors and judges that the Soviets had falsified evidence in an attempt to pin one of their own war crimes, the Katyn massacre of Polish officers, on the Nazis. It did not help that key members of the Soviet delegation, including the Soviet judge and chief prosecutor, had played critical roles in Stalin's infamous show trials of the 1930s. For the lead American prosecutor Robert H. Jackson and his colleagues, Soviet participation in the Nuremberg Trials undermined their overall credibility and possibly even the moral righteousness of the Allied victory. Yet Soviet jurists had been the first to conceive of a legal framework that treated war as an international crime. Without it, the IMT would have had no basis for judgment. The Soviets had borne the brunt of the fighting against Germany--enduring the horrors of the Nazi occupation and experiencing almost unimaginable human losses and devastation. There would be no denying their place on the tribunal, nor their determination to make the most of it. Once the trials were set in motion, however, little went as the Soviets had planned. Soviet Judgment at Nuremberg shows how Stalin's efforts to direct the Soviet delegation and to steer the trials from afar backfired, and how Soviet war crimes became exposed in open court. Hirsch's book offers readers both a front-row seat in the courtroom and a behind-the-scenes look at the meetings in which the prosecutors shared secrets and forged alliances. It reveals the shifting relationships among the four countries of the prosecution (the U.S., Great Britain, France, and the USSR), uncovering how and why the Palace of Justice in Nuremberg became a Cold War battleground. In the process Soviet Judgment at Nuremberg offers a new

A long-awaited memoir of the Nuremberg war crimes trials by one of its key participants. In 1945 Telford Taylor joined the prosecution staff and eventually became chief counsel of the international tribunal established to try top-echelon Nazis. Telford provides an engrossing eyewitness account of one of the most significant events of our century.

Once Adolf Hitler was defeated, U.S. Army Chaplain Henry Gerecke received his most challenging assignment: he was sent to Nuremberg to minister to the twenty-one imprisoned Nazi leaders awaiting trial for crimes against humanity. Mission at Nuremberg takes us deep inside the Nuremberg Palace of Justice, into the cells of the accused and the courtroom where they answered to the world for their crimes. These twenty-one Nazis had sat at Hitler's right hand; Hermann Goering, Albert Speer, Wilhelm Keitel, Hans Frank, and Ernst Kaltenbrunner were the orchestrators, and in some cases the direct perpetrators, of the most methodical genocide in history. As the drama leading to the court's final judgments unfolds, Tim Townsend brings Henry Gerecke's impossible moral quandary to life. Gerecke had visited Dachau and had seen the consequences of the choices these men had made, the orders they had given and carried out. How could he preach the gospel of mercy, knowing full well the devastating nature of the atrocities they had committed? As

execution day drew near, what comfort could he offer—and what promises of salvation could he make—to evil itself? Detailed, harrowing, and emotionally charged, *Mission at Nuremberg* is an incisive new history of the Nuremberg trials as well as a nuanced reflection on the nature of morality and sin, the price of empathy, and the limits of forgiveness.

Examines each of the defendants in the Nuremberg Trials, during which charges were brought against members of Hitler's Third Reich for wartime atrocities, and considers questions of whether the trials were necessary and just.

The Holocaust is an atrocity of such overwhelming magnitude and depravity that it must never be forgotten yet can scarcely be comprehended. The sheer horror of it can often make it seem unreal to contemporary eyes. The primary-source images, firsthand accounts, meticulous timeline, and transcripts of speeches and testimony associated with the Nuremberg Trials and the Nazi crimes they prosecuted are found here, grounding the horror in undeniable, irrefutable reality. Taken together, they help ensure for a new generation that the Holocaust will never be forgotten, never be denied, and never be repeated.
