6 or more hours with a best practice is associated with an average 39-point increase in SAT scores. In 2019 we analyzed the association between the use of Official SAT Practice and SAT scores from approximately 545,000 SAT test-takers from the class of 2019. In the study we identify three best practices -- leveling up skills, completing a full-length practice exam, and following personalized practice recommendations.

Official SAT® Practice | Khan Academy

Taking a full-length SAT practice test is one of the best ways to simulate test day. Eight official SAT practice tests are available for free, both online and on paper. Created by the makers of the SAT, each practice test has the same types of questions you'll see on test day.
