The Perfect Store: Inside eBay. When Pierre Omidyar launched a clunky website from a spare bedroom over Labor Day weekend of 1995, he wanted to see if he could use the Internet to create a perfect market. He never guessed his old-computer parts and Beanie Baby exchange would revolutionize the world of commerce.

~~The Perfect Store: Inside eBay by Adam Cohen~~

Synopsis Pierre Omidyar's attempts to create The Perfect Store began in 1995, and eBay quickly grew from a Beanie Baby clearinghouse to the most successful e-commerce site in history. Journalist Adam Cohen now reveals the inside story

behind eBay's meteoric rise in the often precarious Internet landscape.

New York Times Notable Book: "A well-told business yarn . . . A fly-on-the-wall look at how eBay got to be eBay." —Chicago Tribune When Pierre Omidyar launched a clunky website from a spare bedroom over Labor Day weekend of 1995, he wanted

to see if he could use the Internet to create a perfect market. He never guessed his old-computer parts and Beanie Baby exchange would revolutionize the world of commerce. In this fascinating book, Adam Cohen, the first journalist ever to get full access to the company, tells the remarkable story of eBay's rise. He describes how eBay built the most passionate community ever to form in cyberspace and forged a business that triumphed over larger, better-funded rivals. And he explores the ever-widening array of enlistees in the eBay revolution, from a stay-at-home mom who had to rent a warehouse for her thriving business selling bubble-wrap on eBay to the young MBA who started eBay Motors (which within months of its launch was on track to sell \$1 billion in cars a year), to collectors nervously bidding thousands of dollars on antique clothing-irons. "Skillfully synthesizes the story of eBay's corporate evolution with profiles of more peripheral figures." —The Washington Post Book World "The definitive history of eBay—a strange and exhilarating tale." —Jeffrey Toobin, New York Times-bestselling author of True Crimes and Misdemeanors

Drawing on exclusive interviews with eBay's founder and employees, a journalist provides an inside look at Pierre Omidyar and his creation of the cyberspace giant and traces the company's history from first concept to a revolutionary Internet success. Reprint. 15,000 first printing.

When Pierre Omidyar launched a clunky website from a spare bedroom over Labor Day weekend of 1995, he wanted to see if he could use the Internet to create a perfect market. He never guessed his old-computer-parts and Beanie Baby exchange would revolutionize the world of commerce. Now, Adam Cohen, the only journalist ever to get full access to the company, tells the remarkable story of eBay's rise. He describes how eBay built the most passionate community ever to form in cyberspace and forged a business that triumphed over larger, better-funded rivals. And he explores the ever-widening array of enlistees in the eBay revolution, from a stay-at-home mom who had to rent a warehouse for her thriving business selling bubble-wrap on eBay to the young MBA who started eBay Motors (which within months of its launch was on track to sell \$1 billion in cars a year), to collectors nervously bidding thousands of dollars on antique clothing-irons. Adam Cohen's fascinating look inside eBay is essential reading for anyone trying to figure out what's next. If you want to truly understand the Internet economy, "The Perfect Store" is indispensable.

Adam Cohen, the only journalist to get full access to eBay, tells the remarkable story of its rise and how it formed one of the most passionate communities in cyberspace.

In eBOYS, Randall Stross takes us behind the scenes and inside the heads of the gutsy entrepreneurs who are financing the hottest businesses on the Web. The six tall men who started Benchmark, Silicon Valley's most exciting venture capital firm, put themselves at the cutting edge of the new economy by backing billion dollar start-ups like eBay and Webvan. The risks were enormous--but the rewards have proven to be staggering. Within two years, eBay's net worth grew from \$20 million to more than \$21 billion, while each Benchmark founding partner saw his own personal net worth soar by hundreds of millions of dollars. For two roller-coaster years, Stross had total access not only to Benchmark's executives but to

the companies they financed. He was a fly on the wall as fortunes were made in an instant, snap decisions got locked in, and new ventures took off--and sometimes crashed. Here are the testosterone-pumped conversations, round-the-clock meetings, and gutsy deals that launched the eBoys and their clients into the stratosphere of mega-wealth. Written like a novel but absolutely true, eBOYS brings to vivid life the glory days of the greatest business adventure of our time.

When Peter Thiel and Max Levchin launched an online payment website in 1999, they hoped their service could improve the lives of millions around the globe. But when their start-up, PayPal, survived the dot.com crash only to find itself besieged by unimaginable challenges, that dream threatened to become a nightmare. PayPal's history as told by former insider Eric Jackson is an engrossing study of human struggle and perseverance against overwhelming odds. The entrepreneurs that Thiel and Levchin recruited to overhaul world currency markets first had to face some of the greatest trials ever thrown at a Silicon Valley company before they could make internet history. Business guru Tom Peters, author of "In Search of Excellence," called the hardcover edition of *The PayPal Wars* "a real page turner" that featured what he called "the best description of business strategy unfolding in a world changing at warp speed." The new paperback edition features updated material and even more insights on the state of internet commerce. - Publisher.

Learn to recognize valuable collectibles, and avoid junk. Start part-time and expand your income when you're ready.

A lively insider's guide to starting a successful small business selling items old and new on eBay, written with personal anecdotes, well-kept secrets, and insider tips by Adam Ginsberg, eBay's most successful private salesperson. This is the insider's guide to making money on eBay. Adam Ginsberg is the most successful seller on eBay, moving around a million dollars' worth of merchandise every month. Not only will he impart his personal secrets on how to sell on eBay -learned through years of experience - and his tips on expanding your small business using eBay as a global market, but he'll also give fun side-notes and anecdotes, keeping the book lively and making it a fun and interesting read. This book will be a must-have for all current and aspiring eBay sellers, all small-business owners, and anyone who wants to learn how to start a million-dollar company.

"A fascinating account of an extraordinary moment in the life of the United States." --The New York Times With the world currently in the grips of a financial crisis unlike anything since the Great Depression, *Nothing to Fear* could not be timelier. This acclaimed work of history brings to life Franklin Roosevelt's first hundred days in office, when he and his inner circle launched the New Deal, forever reinventing the role of the federal government. As Cohen reveals, five fiercely intelligent, often clashing personalities presided over this transformation and pushed the president to embrace a bold solution. *Nothing to Fear* is the definitive portrait of the men and women who engineered the nation's recovery from the worst economic crisis in American history.

The story of an American city, an iron-fisted mayor, and an era of protest and turmoil: "Superb . . . one of the finest political biographies of recent years."

—Library Journal This is the story of Mayor Richard J. Daley and his rise from the working-class Irish neighborhood of his childhood to his role as one of the most important figures in twentieth-century American politics. It's a tale of the birth of a family dynasty; of simmering racial tensions; of the Chicago machine; of a national Democratic convention marred by violent clashes between demonstrators and police; and of the decline of the big city bosses. "The first full-length biography of one of the most fascinating and enigmatic characters of modern American political history." —The New York Times Book Review "Fascinatingly detailed . . . the authors do an excellent job of exposing the tragic racial history of postwar America." —Boston Book Review "A compelling social history of mid-century Chicago." —The New Yorker
