The Riddle of the Third Mile is the sixth novel in Colin Dexter's Oxford-set detective series. The thought suddenly occurred to Morse that this would be a marvellous time to murder a few of the dodderly old bachelor dons. No wives to worry about their whereabouts; no landladies to whine about the unpaid rents. In fact nobody would miss most of them at all . . . By the 16th of July the Master of Lonsdale was concerned, but not yet worried. Dr Browne-Smith had passed through the porter's lodge at approximately 8.15 a.m. on the morning of Friday, 11th July. And nobody had heard from him since. Plenty of time to disappear, thought Morse. And plenty of time, too, for someone to commit murder . . . The Riddle of the Third Mile is followed by the seventh Inspector Morse book, *The Secret of Annexe 3*.

"Saylor rivals Robert Graves in his knack for making the classical world come alive." --(ortland) Oregonian "Engrossing...Ironic and satisfying." -- San Francisco Chronicle The third in Saylor's Roma Sub Rosa novels featuring Gordianus the Finder. Gordianus, disillusioned by the corruption of Rome circa 63 B.C., has fled the city with his family to live on a farm in the Etruscan countryside. But this bucolic life is disrupted by the machinations and murderous plots of two politicians: Roman consul Cicero, Gordianus's longtime patron, and populist senator Catilina, Cicero's political rival and a candidate to replace him in the annual elections for consul. Claiming that Catilina plans an uprising if he loses the race, Cicero asks Gordianus to keep a watchful eye on the radical. Although he distrusts both men, Gordianus is forced into the center of the power struggle when his six-year-old daughter Diana finds a headless corpse in their stable. Shrewdly depicting deadly political maneuverings, this addictive mystery also displays the author's firm grasp of history and human character. On first publication back in 1994, Catilina's Riddle was a finalist for the Hammet Award.
