A young girl learns she's half mermaid and plunges into a scheme to reunite with her father in this entrancing, satisfying tale that beckons readers far below the waves. For as long as she can remember, twelve-year-old Emily Windsnap has lived on a boat. And, oddly enough, for just as long, her mother has seemed anxious to keep Emily away from the water. But when Mom finally agrees to let her take swimming lessons, Emily makes a startling discovery — about her own identity, the mysterious father she's never met, and the thrilling possibilities and perils shimmering deep below the water's surface. With a sure sense of suspense and richly imaginative details, first-time author Liz Kessler lures us into a glorious undersea world where mermaids study shipwrecks at school and Neptune rules with an iron trident — an enchanting fantasy about family secrets, loyal friendship, and the convention-defying power of love.

Meet the Plain Janes--artist activists on a mission to wake up their sleepy suburban town. This cult classic graphic novel is perfect for fans of *The LumberJanes* and *Awkward*. When artsy misfit Jane Beckles is forced to leave her beloved city life behind for the boring suburb of Kent Waters, she thinks her life is over. But then she finds where she belongs: at the reject table in the cafeteria, along with fellow misfits Brain Jayne, Theater Jane, and sporty Polly Jane. United by only two things—a shared name and frustration with the adults around them--the girls form a secret club dedicated to fighting suburban apathy with guerrilla works of art scattered around their small town. But for Main Jane, the group is more than simple teenaged rebellion; it's an act of survival. She's determined not to let fear rule

File Type PDF The Spiderwick Chronicles Teachingbooks

her life like it does her parents' and neighbors' lives. Armed with her sketchbook and a mission of resistance, the PLAIN Janes are out to prove that passion, bravery, and a group of great friends can save anyone from the hell that is high school. With each installment printed in its own distinct color, this volume includes the original two stories--The Plain Janes and Janes in Love--plus a never-before-seen third story, Janes Attack Back. The Janes are back, and better than ever.

A triumphant tale of self-discovery, a celebration of a family's rich heritage, and a love letter to American immigrant freedom. *I Was Their American Dream* is at once a journal of growing up and a reminder of the thousands of immigrants who come to America in search for a better life for themselves and their children. The daughter of parents with unfulfilled dreams themselves, Malaka navigated her childhood chasing her parents' ideals, learning to code-switch between her family's Filipino and Egyptian customs, adapting to white culture to fit in, crushing on skater boys, and trying to understand the tension between holding onto cultural values and trying to be an all-American kid. In a graphic novel format, Malaka Gharib's illustrations bring to life her teenage antics and illuminate earnest questions about identity and culture, while providing thoughtful insight into the lives of modern immigrants and the generation of millennial children they raised. Malaka's upbringing will look familiar to anyone who grew up in the pre-internet era, but her particular story is a heartfelt tribute to the American immigrants who have invested their future in the promise of the American dream.

Book-loving Kenny the rabbit has few friends in his farming community, so when one, bookstore owner George, is sent to kill another, gentle dragon Grahame, Kenny must find a way to prevent their battle while satisfying the dragon-crazed townspeople.

New York Times Bestseller World War I set the tone for the 20th century and introduced a new type of warfare: global, mechanical, and brutal. Nathan Hale has gathered some of the most fascinating true-life tales from the war and given them his inimitable Hazardous Tales twist. Easy to understand, funny, informative, and lively, this series is the best way to be introduced to some of the most well-known battles (and little-known secrets) of the infamous war. Praise for Nathan Hale's Hazardous Tales "Students bored to death by textbook descriptions of WWI battle maneuvers should be engaged by this entertaining, educational glimpse at world history." --Booklist "A mixture of textbook and slapstick, this essential read makes history come alive in a way that is relevant to modern-day life and kids." --School Library Journal

Thanks to the mysterious field guide left behind by their long-lost great-great-uncle Arthur Spiderwick, life for the Grace kids—Jared, Simon, and Mallory—is beyond weird. When Simon goes missing, Jared is convinced creatures from the faerie world have something to do with it. Mallory is not convinced. That is, until she and Jared have to contend with a band of menacing, marauding goblins. Simon is clearly in danger, and it's up to Mallory and Simon to save him, before it's too late...

New York Times Bestseller Nathan Hale, the author's historical namesake, was America's first spy, a Revolutionary War hero who famously said "I regret that I have but one life to give for my country" before being hanged by the British. In the Nathan Hale's Hazardous Tales series, author Nathan Hale channels his namesake to present history's roughest, toughest, and craziest stories in the graphic novel format. One Dead Spy tackles the story of Hale himself, who was an officer and spy for the American

File Type PDF The Spiderwick Chronicles Teachingbooks

rebels during the Revolutionary War. Author Hale highlights the unusual, gruesome, and just plain unbelievable truth of historical Nathan Hale—from his early unlucky days at Yale to his later unlucky days as an officer—and America during the Revolutionary War. Praise for Nathan Hale's Hazardous Tales: One Dead Spy "An innovative approach to history that will have young people reading with pleasure." —Kirkus Reviews "Readers interested in American history will enjoy these graphic novels... Comic panels of varying sizes enhance the real-life events and support the stories' over-the-top humor... the writing is accessible and entertaining; author Hale's style gives readers an insider-y, you-are-there-type scoop." —Horn Book

The Anybodies Fern discovers that she was swapped at birth and leaves her tragically dull parents for an unforgettable adventure with her true father, the Bone. Just who are the Anybodies? You'll have to read to find out! Narrated by the hilariously intrusive N. E. Bode, *The Anybodies* is a magical adventure for readers of all ages. The Nobodies Fern Drudger's quirky adventures continue in this delightful sequel to *The Anybodies*. She goes to Camp Happy Sunshine Good Times and is bombarded by desperate messages from people who call themselves the Nobodies. But who are the Nobodies, and what do they want from Fern?

Gilbert du Motier became the Marquis de Lafayette at a young age, but he was not satisfied with the comforts of French nobility—he wanted adventure! A captain at eighteen and a major general by nineteen, he was eager to prove himself in battle. When he heard about the Revolution going on in America, he went overseas and fought alongside Alexander Hamilton and George Washington for America's independence. Nathan Hale's *Hazardous Tales* are graphic novels that tell the thrilling,

File Type PDF The Spiderwick Chronicles Teachingbooks

shocking, gruesome, and TRUE stories of American history. Read them all—if you dare!

DiTerlizzi and Black receive a letter from three children who claim to know a lot about real faeries. One particularly thrilling part of their tale is recounted here along with a story that wasn't discovered until after the original Spiderwick books had been published.
