Anna Geifman examines the explosion of terrorist activity that took place in the Russian empire from the years just prior to the turn of the century through 1917, a period when over 17,000 people were killed or wounded by revolutionary extremists. On the basis of new research, she argues that a multitude of assassination attempts, bombings, ideologically motivated robberies, and incidents of armed assault, kidnapping, extortion, and blackmail for party purposes played a primary role in the revolution of 1905 and early twentieth-century Russian political history in general.

In the winter of 1909, a political bombshell exploded in tsarist Russia. Scandal swept not only the empire but the entire world with the exposure of the secret life of one man. Newspaper headlines introduced him as a "twentieth-century Judas," and since his initiation to the most notorious villains' club, his name, Evno Filipovich Azef, has remained in the Russian tradition as a synonym for scandalous duplicity, unscrupulous perfidy, and criminal provocation. His story is inseparable from the history of the Russian Socialist-Revolutionary party (PSR) and the terrorism that plagued the tsarist regime in the first decade of the twentieth century. More than 17,000 people were killed or wounded throughout the empire between 1905 and 1910 as a result of political assassination attempts alone. The use of undercover police spies to infiltrate oppositionist groups was a primary means of combatting terrorist activity. Enter Evno Azef, a man who, before being reviled by Socialist-Revolutionary party leaders as a traitorous double agent, would spend fifteen years inside the PSR, the largest terrorist organization in Russia. A man who would rise to a position of prominence in the party's Central Committee, and become one of the most trusted leaders of its famous terrorist arm, the SR Combat Organization: Evno Azef, Russian master spy. A thorough investigation based on all available documentary resources-available for the first time due to the Soviet government's demise- Entangled in Terror: The Azef Affair and the Russian Revolution sorts out the facts of the case from rumors and legends. Entangled in Terror explores the background and history of the radical SR party and its Combat Organization, the course of Azef's career, his role within the party, and the extent and frequency of his contacts with the secret police. The book evaluates the consequences of the Azef affair for the party, for the Russian revolutionary movement, and for terrorism in Russia. Finally, Entangled in Terror examines

This extraordinary work of investigative journalism takes readers inside America ' s isolated Mormon Fundamentalist communities, where some 40,000 people still practice polygamy. Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God. At the core of Krakauer ' s book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America ' s fastest growing religion, and raises provocative questions about the nature of religious belief.

According to Eugene Cho, Christians should never profess blind loyalty to a party. Any party. But they should engage with politics, because politics inform policies which impact people. In Thou Shalt Not Be a Jerk: A Christian ' s Guide to Engaging Politics, Cho encourages readers to remember that hope arrived—not in a politician, system, or great nation—but in the person of Jesus Christ. With determination and heart, Cho urges readers to stop vilifying those they disagree with—especially the vulnerable—and asks Christians to follow Jesus and reflect His teachings. In this book that integrates the pastoral, prophetic, practical, and personal, readers will be inspired to stay engaged, have integrity, listen to the hurting, and vote their convictions. " When we stay in the Scriptures, pray for wisdom, and advocate for the vulnerable, our love for politics, ideology, philosophy, or even theology, stop superseding our love for God and neighbor. "
