Units of Study for Teaching Reading Grades 6-8

UNIT 8 Reading Skill Skimming for General Ideas When we skim while reading, we read quickly to get a general idea of the meaning of the text. Later we can go back and read more slowly to understand all of the details.

Your students will engage in their first guided practice with fresh reading selections every week! Students can directly interact with text by underlining, circling, and highlighting text to support answers with text evidence.

Sophy, a determined young girl living in an impoverished Cambodian village, fulfills her dream—with the help of a pair of running shoes.

Responding to the demands of the Framework for Teaching English, Years 7-9, within the context of the revised National Curriculum, the Level Best series offers a carefully structured and motivating approach to English for 11 to 14 year-olds. Making clear the purpose and structure of each unit and the skills being developed, the books offer opening questions for discussion in small groups and provide opportunities throughout to learn in a variety of ways. Encouraging students throughout to examine and explain how they reached their conclusions, the series provides plenty of support in order to increase confidence and achievement. It aims to guide students towards realistic targets by encouraging reflection on what has been learnt during the course of each unit before moving on to the next level. The Teacher Resource Books provide extensive support, including suggestions for teaching styles, model answers and photocopiable worksheets.

This multi-level English course is for teenagers. The English in Mind Combo Level 3B Teacher's Book contains all of the teacher's notes for Level 3B Units 9-16 renumbered as Units 1-8.

Engage students in complex literary strategies as they dive into exploring rich pairs of fiction and nonfiction texts. Written by Lori Oczkus and Timothy Rasinski, this resource brings together two key strategies from the Common Core State Standards: close reading of paired texts. It provides teachers with the opportunity to use close reading strategies, reciprocal teaching, paired fiction/nonfiction texts, text sets, text-dependent questions, and hands-on activities. It includes 12 units across 4 content areas: language arts, mathematics, science, and social studies. Key differentiation strategies used in today's classrooms are provided including open-ended tasks and activities strong for multiple intelligences, and each unit includes text-dependent assessment for each text type. Aligned to McREL and Common Core State Standards, this resource prepares students for college and career.

Teach second grade students close reading strategies that strengthen their fluency and comprehension skills! Students will read and analyze various types of texts to get the most out of the rich content. Their reading skills will improve as they answer text-dependent questions, compare and contrast texts, and learn to use close reading strategies on their own! The lessons are designed to make close reading strategies accessible, interactive, grade appropriate, and fun. The lesson plans are easy to follow, and offer a practical model built on research-based comprehension and fluency strategies.

Using an inquiry-based approach to learning, Oxford Discover develops the communication skills and thinking skills students need for success in the 21st century. Who are your family and friends? Where can we see colors? How can we make music? Oxford Discover uses Big Questions such as these to tap into students' natural curiosity. It enables them to ask their own questions, find their own answers, and explore the world around them. This approach to language learning and literacy, supported by a controlled grammar and skills syllabus, helps students achieve near-native fluency in English. Oxford Discover gives teachers the tools to develop children's 21st century skills, creating young thinkers with great futures. Use with Show and Tell as part of 9-level course.

Features Mr. Whiskers and his class performing seven activities which involve playing with and learning about matter in its liquid, solid, and gaseous forms, and includes a list of materials so readers can duplicate their experiments.

Turtle in the Tuba includes Read Well's unique Daet Stories that combine teacher-read text and decodable student text, and Solo Stories that build independent reading and fluency. In Turtle in the Tuba, students meet Timothy the turtle and his friend Tamee the hippo, who takes him to her father's concert.

"Navigator" is a KS2 reading scheme which covers fiction and non-fiction. It provides material to give pupils a 20-minute guided reading session per week during each school year.
