As a teacher, you long to help others do more than understand the Bible. You want them to experience its relevance and power for their lives. Teaching Like Jesus is the answer! This commonsense guide offers examples of Jesus' teaching style from the Gospels, then shows how you can make these principles work for you -- regardless of what age group or ethnic background you're dealing with. Using a proven, four-step plan. Teaching Like Jesus gives you action steps, summaries, and other practical resources that will make your classroom a lively place to learn and apply the lessons so vitally important for transforming lives and nurturing disciples. After the Altar Call: The Sisters' Guide to Developing a Personal Relationship With God is a fresh, real and relevant how-to manual for African-American Christian women who desire to move past the "church speak" and into an intimate relationship with their Creator. What makes this book unique from other "relationship with God" books is that this book is written from an African-American perspective and spans a variety of issues typically not included in one book--from being thrice-married to leaving the Jehovah's Witnesses. The book includes interviews with 24 remarkable women with compelling stories such as the "The View" co-host Sherri Shepherd; Valerie Burton, life coach, author and co-host on the Emmy award-winning show "Aspiring Women" and the former co-host of the national daily television program, "The Potter's Touch" with Bishop T.D. Jakes; and Bishop Vashti Murphy McKenzie, the 117th elected and consecrated bishop of the African Methodist Episcopal Church and the first woman elected to Episcopal office in over 200 years of A.M.E. history.

Are you sometimes perplexed with Jesus's teaching? Do you really want what he wants? Bestselling author Ryle Idleman reveals that the key to the abundant life Jesus promised lies in embracing His inside-out way of life. As he examines Jesus's Sermon on the Mount, Ryle unpacks the many counter-intuitive truths, including: brokenness is the way to wholeness, mourning is the path to blessing, and emptiness is required in order to know true fullness. Ultimately you will discover how Jesus transforms you as you begin to live out these paradoxical principles. Because only when you come to the end of yourself can you begin to experience the full, blessed, and whole life Jesus offers.

"Precepts For Living" is the leading commentary written by and for African Americans and is a powerful tool to enhance both personal and group study of the Bible. Precepts includes: Parallel King James Version New Living Translation for easy understanding; Verse-by-verse explanation of Scripture; Thorough biblical and cultural background information in each lesson; Teaching tips and activity suggestions; Greek and Hebrew word studies; Profiles of significant African American historical figures.
