This reference book offers the will draftsman the tools to prepare wills for all commonly encountered situations. As well as commonly used draft wills, over 75 individual clauses are appended on an accompanying CD-ROM.

Aiming to provide material needed for drafting a will, this book discusses the related legislation and presents precedent clauses, with commentary on their use. Updated to take into account the Family Law Reform Act 1987 and the Finance Acts 1988-1990, it includes 3 specimen wills.
